

EL CAMALEON GOLF COURSE

El Camaleon made golf history in 2007 when it became the home of the OHL Classic at Mayakoba, the first PGA TOUR event to ever be contested outside of the United States and Canada. Designed by legendary Australian Golfer Greg Norman, El Camaleon boasts an amazing layout featuring three different ecosystems: tropical Mayan jungle, mangrove forest and the Caribbean Sea coastline.

Crystal-clear freshwater canals, cenotes (subterranean caves) and astonishing views of the Caribbean Sea are some of the unique characteristics of this course. This, coupled with great playing conditions, make it a first-rate venue in the Riviera Maya, Mexico. El Camaleon is certified by Audubon International as Cooperative Sanctuary for its commitment to the environment.
